

I must read this book.
-> because I want to read it

I gotta read this book.

I have to read this book.
-> because it's for school

I had to read this book.
I will have to read this book.
I would have to read it.
I hate having to read this book.
I have had to read this book twice.

Do you have to read it?
Did you have to read it?
Will you have to read it?

I mustn't go to work today
-> it's forbidden, I can't do it.

I don't have to go to work today.
-> it's not necessary

I didn't have to go to work yesterday.
I have never had to go to work on Sunday.
